### **Trinity Visionary Fund**

The Session approved creating an endowment by investing in the market the contributions received for the Trinity Visionary Fund through the end of the fiscal year 2022. This endowment creates a new dimension for giving and ensures our ministries will continue making a difference in the lives of future generations. A portion of the earnings from the endowment will be used as a source of funding for missions, ministries, and capital improvements. And a portion of the earnings will be reinvested with the principle and with the new gifts for the Trinity Visionary Fund.

Growth in the Trinity Visionary Fund ensures that Trinity Presbyterian Church will make a difference in the lives of those in need in Baldwin County, around our nation and the world. You are invited to prayerfully consider how you might contribute to this endowment.
